i01	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Health Emergency and Disaster Risk Management Framework [Internet]. Geneva: World Health Organization; 2019 [cited 2026 Jul 19]. Available from: https://www.who.int/publications/i/item/9789241516181	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i02	Included	Round 1 (to 19 Jul 2026)	United Nations Office for Disaster Risk Reduction. Sendai Framework for Disaster Risk Reduction 2015-2030 [Internet]. Geneva: United Nations; 2015 [cited 2026 Jul 19]. Available from: https://www.undrr.org/publication/sendai-framework-disaster-risk-reduction-2015-2030	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i03	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Framework for a Public Health Emergency Operations Centre [Internet]. Geneva: World Health Organization; 2015 [cited 2026 Jul 19]. ISBN: 9789241565134. Available from: https://www.who.int/publications/i/item/framework-for-a-public-health-emergency-operations-centre	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i04	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Handbook for developing a public health emergency operations centre: part A—policies, plans and procedures [Internet]. Geneva: World Health Organization; 2018 [cited 2026 Jul 19]. Available from: https://www.who.int/publications/i/item/handbook-for-developing-a-public-health-emergency-operations-centre-part-a	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	10	High	Met eligibility and informed at least one curriculum decision
i05	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Handbook for developing a public health emergency operations centre: part C—training and exercises [Internet]. Geneva: World Health Organization; 2018 [cited 2026 Jul 19]. ISBN: 9789241515139. Available from: https://www.who.int/publications/i/item/handbook-for-developing-a-public-health-emergency-operations-centre-part-c	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	10	High	Met eligibility and informed at least one curriculum decision
i06	Included	Round 1 (to 19 Jul 2026)	World Health Organization. International Health Regulations (2005): text incorporating amendments adopted in 2014, 2022 and 2024 [Internet]. Geneva: World Health Organization; 2025 [cited 2026 Jul 19]. Available from: https://apps.who.int/igb/bd/pdf_files/THR_2014-2022-2024-en.pdf	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i07	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Joint external evaluation tool: International Health Regulations (2005), third edition [Internet]. Geneva: World Health Organization; 2022 [cited 2026 Jul 19]. ISBN: 9789240051980. Available from: https://www.who.int/publications/i/item/9789240051980	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i08	Included	Round 1 (to 19 Jul 2026)	World Health Organization. WHO benchmarks for strengthening health emergency capacities: support for the implementation of International Health Regulations and health emergency prevention, preparedness, response and resilience capacities [Internet]. Geneva: World Health Organization; 2023 [cited 2026 Jul 19]. Available from: https://www.who.int/publications/i/item/9789240058064	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i09	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Emergency response framework, edition 2.1 [Internet]. Geneva: World Health Organization; 2024 [cited 2026 Jul 19]. ISBN: 9789240058064. Available from: https://www.who.int/publications/i/item/9789240058064	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i10	Included	Round 1 (to 19 Jul 2026)	World Health Organization. National health emergency alert and response framework [Internet]. Geneva: World Health Organization; 2025 [cited 2026 Jul 19]. ISBN: 9789240113893. Available from: https://www.who.int/publications/i/item/9789240113893	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i11	Included	Round 1 (to 19 Jul 2026)	World Health Organization, International Association of National Public Health Institutes. Framework for health emergency preparedness and response capabilities for national public health agencies [Internet]. Geneva: World Health Organization; 2026 [cited 2026 Jul 19]. Available from: https://www.who.int/publications/i/item/B09726	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	11	High	Met eligibility and informed at least one curriculum decision
i12	Included	Round 1 (to 19 Jul 2026)	World Health Organization. WHO Pandemic Agreement [Internet]. Geneva: World Health Organization; 2025 [cited 2026 Jul 19]. Available from: https://www.who.int/health-topics/pandemic-agreement	Official normative, operational, competency or program document	Normative instrument	Global (multilateral)	10	High	Met eligibility and informed at least one curriculum decision
i13	Included	Round 1 (to 19 Jul 2026)	Rose DA, Murthy S, Brooks J, Bryant J. The evolution of public health emergency management as a field of practice. <i>Am J Public Health.</i> 2017;107(S2):S126-S133. doi:10.2105/AJPH.2017.303947.	Peer-reviewed article	Conceptual or definitional scholarship	North America	11	High	Met eligibility and informed at least one curriculum decision
i14	Included	Round 1 (to 19 Jul 2026)	Nelson C, Lurie N, Wasserman J, Zakowski S. Conceptualizing and defining public health emergency preparedness. <i>Am J Public Health.</i> 2007;97(Suppl 1):S9-S11. doi:10.2105/AJPH.2007.114496.	Peer-reviewed article	Conceptual or definitional scholarship	North America	11	High	Met eligibility and informed at least one curriculum decision
i15	Included	Round 1 (to 19 Jul 2026)	Katz R, Sorrell EM, Kornblat SA, Fischer JE. Global Health Security Agenda and the International Health Regulations: moving forward. <i>Biosecure Bioterror.</i> 2014;12(5):231-238. doi:10.1089/bsp.2014.0038.	Peer-reviewed article	Conceptual or definitional scholarship	North America	11	High	Met eligibility and informed at least one curriculum decision
i16	Included	Round 1 (to 19 Jul 2026)	Brennic DJ, Pinto M, Gill A, Kinzer MH, Hernandez L, Pasi OG. Centers for Disease Control and Prevention support for global public health emergency management. <i>Emerg Infect Dis.</i> 2017;23(Suppl 1):S183-S189. doi:10.3201/eid2313.170542.	Peer-reviewed article	Educational program or curriculum-method source	North America	11	High	Met eligibility and informed at least one curriculum decision
i17	Included	Round 1 (to 19 Jul 2026)	Balajee SA, Pasi OG, Etoundi AGM, Rzeszotarski P, Do TT, Hennessee I, Merali S, Alroy KA, Mounts AW. Sustainable model for public health emergency operations centers for global settings. <i>Emerg Infect Dis.</i> 2017;23(Suppl 1):S190-S195. doi:10.3201/eid2313.170435.	Peer-reviewed article	Educational program or curriculum-method source	North America	11	High	Met eligibility and informed at least one curriculum decision
i18	Included	Round 1 (to 19 Jul 2026)	Centers for Disease Control and Prevention. Public Health Emergency Management Fellowship [Internet]. Atlanta (GA): Centers for Disease Control and Prevention; 2026 [cited 2026 Jul 19]. Available from: https://www.cdc.gov/fellowships/php/work-experience/index.html	Official normative, operational, competency or program document	Educational program or curriculum-method source	North America	8	Moderate	Met eligibility and informed at least one curriculum decision
i19	Included	Round 1 (to 19 Jul 2026)	Krishnan S, Espinosa C, Podgornik MN, Halle S, Aponte JJ, Brown CK, Vagi SJ. COVID-19 response roles among Centers for Disease Control and Prevention international Public Health Emergency Management Fellowship graduates. <i>Emerg Infect Dis.</i> 2022;28(13):S145-S150. doi:10.3201/eid2813.220713.	Peer-reviewed article	Empirical study or evaluation	North America	11	High	Met eligibility and informed at least one curriculum decision
i20	Included	Round 1 (to 19 Jul 2026)	Eteng WEO, Collard E, Anebonam U, Magodi S, Kamara N, Guyasa M, Mankoula W. Designing a competency-based curriculum for an advanced training program in public health emergency management: a stepwise, mixed method approach. 2023. <i>BMC Med Educ.</i> 2024;24:1344. doi:10.1186/s12909-024-06341-x.	Peer-reviewed article	Educational program or curriculum-method source	Africa	11	High	Met eligibility and informed at least one curriculum decision
i21	Included	Round 1 (to 19 Jul 2026)	Getaneh MW, Pascal A, Luka-Lawal RK, Kutubana MK, Bunting-Graden JA, Ezembro ETC, Tadicha SD, Essone PN, Magodi S, Anebonam U, Mankoula W, Oboma WE. The Africa Centres for Disease Control public health emergency management fellowship: insights from the inaugural cohort. <i>Front Public Health.</i> 2025;13:1444354. doi:10.3389/fpubh.2025.1444354.	Peer-reviewed article	Empirical study or evaluation	Africa	11	High	Met eligibility and informed at least one curriculum decision
i22	Included	Round 1 (to 19 Jul 2026)	Olu O, Usman A, Kalambay K, Anyangwe S, Voyi K, Orach CG, Azazh A, Mapatana MA, Nsenga N, Manga L, Woldetsadik S, Nguessan F, Benson A. What should the African health workforce know about disasters? Proposed competencies for strengthening public health disaster risk management education in Africa. <i>BMC Med Educ.</i> 2018;18:60. doi:10.1186/s12909-018-1163-9.	Peer-reviewed article	Competency framework	Africa	11	High	Met eligibility and informed at least one curriculum decision

record_id	status	search_round	citation	evidence_type	evidence_family	issuing_region	quality_score_0_12	quality_class	decision_reason
123	Included	Round 1 (to 19 Jul 2026)	Hung KKC, MacDermot MK, Hui TSI, Chan SY, Mashino S, Mok CPY, Leung PH, Kayano R, Abrahams J, Wong CS, Chan EY, Graham CA. Mapping study for health emergency and disaster risk management competencies and curricula: literature review and cross-sectional survey. <i>Global Health</i> . 2024;20:15. doi:10.1186/s12992-023-01010-y.	Peer-reviewed article	Empirical study or evaluation	Multi-country academic	11	High	Met eligibility and informed at least one curriculum decision
124	Included	Round 1 (to 19 Jul 2026)	Ripoll Gallardo A, Djalali A, Foletti M, Ragazzoni L, Della Corte F, Lupeacu O, Arculeo C, von Amim G, Friedl T, Ashkenazi M, Fisher P, Hreckovski B, Khorrarn-Manesh A, Komadina R, Lechner K, Stal M, Patru C, Burkle FM, Ingrassia PL. Core competencies in disaster management and humanitarian assistance: a systematic review. <i>Disaster Med Public Health Prep</i> . 2015;9(4):430-439. doi:10.1017/dmp.2015.24.	Peer-reviewed article	Empirical study or evaluation	Multi-country academic	11	High	Met eligibility and informed at least one curriculum decision
125	Included	Round 1 (to 19 Jul 2026)	European Centre for Disease Prevention and Control. Public health emergency preparedness: core competencies for European Union Member States [Internet]. Stockholm: ECDC; 2017 [cited 2026 Jul 19]. doi:10.2900/049462.	Official normative, operational, competency or program document	Competency framework	Europe	10	High	Met eligibility and informed at least one curriculum decision
126	Included	Round 1 (to 19 Jul 2026)	European Centre for Disease Prevention and Control. HEPSA—health emergency preparedness self-assessment tool: user guide [Internet]. Stockholm: ECDC; 2018 [cited 2026 Jul 19]. ISBN: 9789294982537. doi:10.2900/225651.	Official normative, operational, competency or program document	Operational doctrine or manual	Europe	10	High	Met eligibility and informed at least one curriculum decision
127	Included	Round 1 (to 19 Jul 2026)	Centers for Disease Control and Prevention. Public health emergency preparedness and response capabilities: national standards for state, local, tribal and territorial public health [Internet]. Atlanta (GA): CDC; 2018 [cited 2026 Jul 19]. Available from: https://www.cdc.gov/readiness/php/phep-emergency-preparedness-and-response-capabilities/index.html	Official normative, operational, competency or program document	Normative instrument	North America	8	Moderate	Met eligibility and informed at least one curriculum decision
128	Included	Round 1 (to 19 Jul 2026)	Moore A, Errett NA, Patel R. Public Health Emergency Preparedness and Response Workforce Competencies: developing and supporting the next generation of practitioners. <i>Disaster Med Public Health Prep</i> . 2025;19:e131. doi:10.1017/dmp.2025.10068.	Peer-reviewed article	Competency framework	North America	11	High	Met eligibility and informed at least one curriculum decision
129	Included	Round 1 (to 19 Jul 2026)	Federal Emergency Management Agency. National Incident Management System. 3rd ed. [Internet]. Washington (DC): United States Department of Homeland Security; 2017 [cited 2026 Jul 19]. Available from: https://www.fema.gov/emergency-managers/nims	Official normative, operational, competency or program document	Operational doctrine or manual	North America	8	Moderate	Met eligibility and informed at least one curriculum decision
130	Included	Round 1 (to 19 Jul 2026)	Federal Emergency Management Agency. Homeland Security Exercise and Evaluation Program doctrine [Internet]. Washington (DC): United States Department of Homeland Security; 2020 [cited 2026 Jul 19]. Available from: https://preptoolkit.fema.gov/web/hseep-resources	Official normative, operational, competency or program document	Operational doctrine or manual	North America	8	Moderate	Met eligibility and informed at least one curriculum decision
131	Included	Round 1 (to 19 Jul 2026)	World Health Organization. WHO simulation exercise manual: a practical guide and tool for planning, conducting and evaluating simulation exercises for outbreaks and public health emergency preparedness and response [Internet]. Geneva: World Health Organization; 2017 [cited 2026 Jul 19]. Available from: https://www.who.int/publications/i/item/WHO-WHE-CPI-2017.10	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	10	High	Met eligibility and informed at least one curriculum decision
132	Included	Round 1 (to 19 Jul 2026)	World Health Organization. Guidance for after action review [Internet]. Geneva: World Health Organization; 2019 [cited 2026 Jul 19]. Available from: https://www.who.int/publications/i/item/WHO-WHE-CPI-2019.4	Official normative, operational, competency or program document	Operational doctrine or manual	Global (multilateral)	10	High	Met eligibility and informed at least one curriculum decision
133	Included	Round 1 (to 19 Jul 2026)	Renger R, Granillo B. Lessons learned in testing the feasibility of evaluating transfer of training to an operations setting. <i>J Public Health Manag Pract</i> . 2014;20 Suppl 5:S30-S36. doi:10.1097/PHH.0000000000000059.	Peer-reviewed article	Empirical study or evaluation	North America	11	High	Met eligibility and informed at least one curriculum decision
134	Included	Round 1 (to 19 Jul 2026)	World Health Organization. WHO competency framework, risk communication and community engagement: for stronger and more inclusive health emergency programs [Internet]. Geneva: World Health Organization; 2024 [cited 2026 Jul 19]. ISBN: 9789240092501. Available from: https://www.who.int/publications/i/item/9789240092501	Official normative, operational, competency or program document	Competency framework	Global (multilateral)	10	High	Met eligibility and informed at least one curriculum decision
135	Included	Round 1 (to 19 Jul 2026)	World Health Organization. WHO competency framework: building a response workforce to manage infectious [Internet]. Geneva: World Health Organization; 2021 [cited 2026 Jul 19]. ISBN: 9789240035287. D01	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Duplicate WHO HEDRM publication page	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D02	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Duplicate WHO IHR landing page	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D03	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Duplicate WHO JEE publication page	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D04	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Duplicate WHO PHEOC framework record	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D05	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Duplicate ECDC HEPSA record	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D06	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Duplicate WHO AI large-multimodal-model record	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D07	Duplicate or superseded	Round 1 (to 19 Jul 2026)	Superseded WHO Emergency Response Framework edition	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D08	Duplicate or superseded	Round 3 (to 5 Oct 2026)	Author-supplied copy of the Africa CDC fellowship curriculum design study (I20)	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D09	Duplicate or superseded	Round 3 (to 5 Oct 2026)	Author-supplied copy of the African disaster risk management competencies study (I22)	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D10	Duplicate or superseded	Round 3 (to 5 Oct 2026)	Author-supplied copy of the public health emergency management program assessment tool study (I46)	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D11	Duplicate or superseded	Round 3 (to 5 Oct 2026)	Author-supplied copy of the WHO capabilities framework for national public health agencies (I11)	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D12	Duplicate or superseded	Round 3 (to 5 Oct 2026)	Commentary on health workforce development in health emergency and disaster risk management (registered as E31)	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
D13	Duplicate or superseded	Round 3 (to 5 Oct 2026)	International Academy of Public Health risk management technical diploma page (contained in I71)	Duplicate/superseded record	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Removed before full-document assessment
E01	Excluded after full-document review	Round 1 (to 19 Jul 2026)	WHO Handbook for developing a PHEOC, Part B	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Detailed infrastructure guide; no additional curriculum or workforce competency content beyond included WHO package
E02	Excluded after full-document review	Round 1 (to 19 Jul 2026)	WHO systematic review of PHEOCs, 2013	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Superseded by the 2015 framework and 2018 handbooks
E03	Excluded after full-document review	Round 1 (to 19 Jul 2026)	WHO Strategic Framework for Emergency Preparedness, 2017	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Superseded for this synthesis by the 2019 Health EDRM framework and later capability frameworks
E04	Excluded after full-document review	Round 1 (to 19 Jul 2026)	WHO AFRO PHEOC Legal Framework Guide, 2021	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Narrow legal guide; relevant concepts captured by included PHEOC framework and law domain
E05	Excluded after full-document review	Round 1 (to 19 Jul 2026)	IAEM poster on the CDC PHEM Fellowship, 2022	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Promotional summary without a complete curriculum or assessment package
E06	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Nurses as Leaders in Disaster Preparedness and Response, 2016	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Profession-specific agenda rather than a generic PHEM curriculum
E07	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Ensuring Doctor of Pharmacy Graduates Have Emergency Preparedness Competencies, 2023	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Profession-specific educational recommendation
E08	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Emergency Preparedness Academy Adds Public Health to Terrorism Training, 2005	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Local educational intervention with limited transfer to a generic advanced curriculum
E09	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Expanding the PHEP Competency Set to Meet Specialized Local Needs, 2007	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Local needs assessment superseded by more current workforce competency evidence
E10	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Improving Emergency Preparedness System Readiness Through Simulation, 2014	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single interprofessional intervention rather than a comprehensive curriculum
E11	Excluded after full-document review	Round 1 (to 19 Jul 2026)	FEMA IS-100 course materials	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single introductory course; not a complete PHEM curriculum
E12	Excluded after full-document review	Round 1 (to 19 Jul 2026)	OpenWHO HEPR introductory course	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Self-paced course without the complete role, product and assessment architecture required for inclusion
E13	Excluded after full-document review	Round 1 (to 19 Jul 2026)	ECDC country preparedness activities report, 2013-2017	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Implementation summary without a distinct curriculum or competency set
E14	Excluded after full-document review	Round 1 (to 19 Jul 2026)	WHO Health EDRM fact sheets	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Topic briefs rather than a curriculum framework
E15	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Disaster nursing competency framework	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Profession-specific package without a generic PHEM architecture
E16	Excluded after full-document review	Round 1 (to 19 Jul 2026)	Commercial emergency-management certificate program	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Insufficient transparency on curriculum-development methods and assessment standards
E17	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Competencies for One Health Field Epidemiology framework and its summary page	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Field epidemiology competencies rather than emergency-management functions; the included One Health field epidemiology curriculum guidance already carries this lineage
E18	Excluded after full-document review	Round 2 (to 31 Aug 2026)	TEPHINET network description of field epidemiology training programs	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Descriptive web page without a competency set or curriculum
E19	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Singapore field epidemiology training program profile	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-program profile without competency, product or assessment specification
E20	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Delphi study of climate and environmental epidemiology competencies for the Eastern Mediterranean	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Hazard-specific competency set for field epidemiology tiers rather than PHEM
E21	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Scoping review of field epidemiology training program priorities	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Addresses program priorities rather than curriculum content or assessment
E22	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Internal evaluation of a national field epidemiology training program	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-program evaluation of field epidemiology
E23	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Core competencies for field veterinary epidemiology training	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Profession-specific competency set
E24	Excluded after full-document review	Round 2 (to 31 Aug 2026)	PAHO course on continuity of essential services in health emergencies	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-topic course without role, product and assessment structure
E25	Excluded after full-document review	Round 2 (to 31 Aug 2026)	PAHO course on hospital planning within the multi-hazard response framework	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Facility-level planning course without a generic PHEM curriculum
E26	Excluded after full-document review	Round 2 (to 31 Aug 2026)	PAHO course on infection prevention and control in health emergencies	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-topic course

record_id	status	search_round	citation	evidence_type	evidence_family	issuing_region	quality_score_0_12	quality_class	decision_reason
E27	Excluded after full-document review	Round 2 (to 31 Aug 2026)	PAHO course on expansion of health service capacity in emergencies	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-topic course
E28	Excluded after full-document review	Round 2 (to 31 Aug 2026)	PAHO course on health and disaster risk management, 2022 edition	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Superseded for this synthesis by the included regional risk-management course
E29	Excluded after full-document review	Round 2 (to 31 Aug 2026)	WHO global competency and outcomes framework for universal health coverage	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Whole-of-health-workforce framework in which emergency risk management is one domain; not a PHEM curriculum
E30	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Scoping review of disaster health education for short and intermediate training in Saudi Arabia	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Addresses short and intermediate disaster health training rather than an advanced PHEM program
E31	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Commentary on health workforce development in health emergency and disaster risk management	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			States the need for evidence-based recommendations without supplying a competency set or curriculum
E32	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Report of an expert meeting on health emergency and disaster risk management research	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Research agenda rather than education content
E33	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Regional disaster mental health network agenda paper	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Network agenda rather than a competency or curriculum source
E34	Excluded after full-document review	Round 2 (to 31 Aug 2026)	World Association for Disaster and Emergency Medicine education issues paper, 2004	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Superseded by later national and consortium education standards
E35	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Pilot questionnaire on disaster health education and training	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Survey instrument pilot without a competency set
E36	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Scoping review of situational awareness and disaster mindset in healthcare education	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-competency focus
E37	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Conceptual framework for incident management system training in one province	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Sub-national training framework superseded for this synthesis by the included conceptual framework
E38	Excluded after full-document review	Round 2 (to 31 Aug 2026)	WHO South-East Asia news reports of the regional health emergency workforce workshop, 2026	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			News reports without competency or curriculum content
E39	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Regional synthesis of health emergency risk management experiences in South-East Asia, 2014-2023	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Program experience synthesis without competency or curriculum content
E40	Excluded after full-document review	Round 2 (to 31 Aug 2026)	West African Health Organization practical emergency guide web page	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Full document not retrievable within the search window
E41	Excluded after full-document review	Round 2 (to 31 Aug 2026)	Account of continental emergency responders in action, Pan African Medical Journal	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Superseded for this synthesis by the included narrative review of the same initiative
E42	Excluded after full-document review	Round 2 (to 31 Aug 2026)	WHO AFRO country news items on responder training in Central African Republic and Togo	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Country news items duplicating the included francophone West African account
A27	Post-synthesis implementation alignment source	Round 1 (to 19 Jul 2026)	Centers for Disease Control and Prevention. Emergency management and global health security [Internet]. Atlanta (GA): Centers for Disease Control and Prevention; 2024 [cited 2026 Jul 19]. Available from: https://www.cdc.gov/orr/deo/emergency-management.html	Official implementation-alignment source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Programme description used as an implementation-alignment anchor for emergency-management function statements; not counted in the analytic library
E43	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Eastern Mediterranean Public Health Network brochure on public health emergency management	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Organizational overview without competency, curriculum or assessment content
E44	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Africa CDC news item on the fellowship curriculum review, 2024	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			News item; the program is documented by the included curriculum design study and cohort report
E45	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Africa CDC fellowship cohort II announcement, 2024	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Program announcement; structure documented by the included curriculum design study and cohort report
E46	Excluded after full-document review	Round 3 (to 5 Oct 2026)	CDC Law and Epidemic Emergency Preparedness training	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-topic course
E47	Excluded after full-document review	Round 3 (to 5 Oct 2026)	CDC Six Domains of Preparedness poster, 2017	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			One-page summary of the included capability standards
E48	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Kenya Ministry of Health Virtual Academy public health emergency management course	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Full document not retrievable within the search window
E49	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Commercial public health emergency preparedness training course	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Commercial item
E50	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Qualitative synthesis of preparedness, impacts and responses of public health emergencies, 2023	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Synthesis of emergency impacts and responses without competency, curriculum or training content
E51	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Opinion paper on community health worker employment in African outbreak response, 2026	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Employment-policy argument without competency, curriculum or training content
E52	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Qualitative study of economic evaluation in public health emergency management in Africa, 2026	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Addresses economic evaluation practice rather than competency, curriculum or training content
E53	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Knowledge mapping analysis of public health emergency management research, 2022	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Bibliometric analysis without competency, curriculum or training content
E54	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Public health preparedness and response competency model methodology, 2019	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Superseded for this synthesis by the included 2025 workforce competency model
E55	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Qualitative study of professional development in health emergency management in Aotearoa New Zealand, 2019	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Interview study without a competency set or curriculum
E56	Excluded after full-document review	Round 3 (to 5 Oct 2026)	OpenWHO course on the public health emergency operations centre	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Self-paced course without the complete role, product and assessment architecture required for inclusion
E57	Excluded after full-document review	Round 3 (to 5 Oct 2026)	OpenWHO course on mental health and psychosocial support in emergencies	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-topic course
E58	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Contact tracing training model for COVID-19 in San Francisco, 2023	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single-function local training program
E59	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Assessment of the Angolan mobile laboratory curriculum for disaster and pandemic response, 2020	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Single technical procedure
E60	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Disaster psychosocial competencies overview	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Profession-specific competency set without a date or issuing body
E61	Excluded after full-document review	Round 3 (to 5 Oct 2026)	Scoping review of human resource development in public health emergency management, 2025	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Full document not retrievable within the search window
E62	Excluded after full-document review	Round 3 (to 5 Oct 2026)	ASPHER core curriculum for public health, first edition, 2024	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			General public health curriculum; emergency preparedness subject content not retrievable within the search window
E63	Excluded after full-document review	Round 3 (to 5 Oct 2026)	WHO Kobe Centre literature review on Health EDRM workforce development	Candidate source	Not applicable (not in analytic library)	Not applicable (not in analytic library)			Full document not retrievable within the search window
